***

This is not disputed that the orders, which have been assailed in the instant petitions, are appealable u/s.36(4) of Pharmacy Act, 1948.

Only grievance which petitioners have pointed out is that at initial stage some inquiry was made and at the behest of Government, some directions were issued - on the basis of which action has been taken for cancellation of their registration being Pharmacist. It is made clear that if petitioners prefer appeal against the orders impugned in the instant petitions, the Appellate Authority will independently examine their grievance and will not be prejudiced by any other material or directions, if there is any, issued by the Government in this regard.

With the above observations, the writ petitions stand disposed of. If appeal is preferred within 30 days from today, the same be treated to be under limitation and authority is expected to decide the same on merits.
